

MEMORANDUM FOR: Acting Deputy Director (Support)

SUBJECT: Colonel White's Travel Notes (DDS 58-1839)

25X1A6A 1. Those portions of Colonel White's travel notes which concern themselves with employee housing conditions [redacted] have been reviewed.

25X1A6A 2. All of the points involved have been previously considered by this Office. The trip report of an OL employee's TDY in the [redacted] is now being prepared for your information. Pending completion of this report the following recommendations are made with regard to the specified locales:

25X1A6A a. [redacted] This Office agrees that the provisions [redacted] allow the Station Chief to provide adequate quarters to his personnel. It is not believed that the full time assignment of a Real Estate Officer is necessary. However, in the event a full time Logistics Officer were to be assigned to the [redacted] Station he would probably be required to utilize as much as 50% of his time in housing matters.

25X1A6A b. [redacted] This Office concurs in the long term leasing of several of the houses now being constructed

25X1A6A c. [redacted] In the event this activity is to be maintained this Office would recommend that the Agency construct its own quarters on land which can be made available by [redacted] It is believed that these quarters, if constructed, would amortize themselves within seven years.
